#DigitalShramik

If you are reading this, you have signed up to contribute to the #DigitalShramik mission launched by Bandhoo team. Objective is to make construction workers digitally literate, and enable them with a smartphone so that they can lead a better life.

How does this work?

After research, we have chosen Karbonn K9 Smart Eco (Black colour) as the phone that can be given to the worker. It is available on Flipkart for Rs 2399/-. You can buy one or more of this phone on Flipkart and have it delivered to the following address:

Ashish Singh, C/O Bandhoo Solutions

Room no 207, Oyolife GRG1609, CRPF road, Sector 62, Gurgaon - 122413

You can mention +91-81416-57292 as Ashish's number. Once you have paid, please share Flipkart

order ID by sending an email to info@bandhoo.com

What will we do?

We will identify a deserving worker who uses a keypad phone as of now. We will give this phone to him, along with educating him about important Apps (Ayushman Bharat, Bhim UPI, IRCTC, Umang) so that he can benefit from digital access to various services he needs. We will share with you the details of the worker who has benefited from your contribution.
